

2025 Sagebrush Ranch Horse Association

**Rule Handbook
Adopted 1/1/25**

I. ASSOCIATION GENERAL RULES AND REGULATIONS

A. KNOWLEDGE OF THE RULES

It is the responsibility of the competitor to have knowledge of the rules included in this handbook.

B. ENFORCEMENT OF THE RULES

It is the responsibility of the club, club officers, and event staff, including hired and/or volunteer judges, ring stewards, scribes, to assure the rules are followed by all competitors.

C. RULES OF OTHER ASSOCIATIONS WHEN CO-SANCTIONED

The rules in this handbook are for SRHA sanctioned events. In the event, the club co-sanctions with another association, the competitor must comply with that association's rules in order to be eligible for their placings, awards, points.

D. EVENT YEAR:

The Event Year will run from January 1st to October 31st each year. Events occurring after November 1st will not count for points.

E. RULE CHANGE PROCEDURES

A member, committee, the Board of Directors, or the Club staff may propose a rule change. A rule change is any change to the General Rules.

Rule changes shall be submitted on the rule change proposal form in the specified format. All blanks must be completed and a justification for the proposed change cited. Forms which are incomplete, lacking the justification, or failing to cite the specific change requested will be returned to the originator. The board of directors will provide notice that rule change proposals are being accepted in advance of the deadline. Rule change proposal can be submitted at any time; the board will file them for consideration. The Board of Directors will vote on the proposed change.

Two thirds (2/3) of the Board members at a specified Board meeting having the required quorum attendance must vote in the affirmative for a rule change to be adopted.

II. ELIGIBILITY

A. BREED ELIGIBILITY

Any horse of any breed may be used. Must be three years of age or older.

B. OWNERSHIP REQUIREMENTS

A rider is not required to own the horse he/she rides in a competition or clinic.

*Note: A rider riding a horse not that he/she does not own may affect their non-pro/amateur status in other associations.

III. VERSATILITY SHOW DIVISIONS

A. GENERAL RULES AND REGULATIONS:

Divisions are designed to be a progressive program, based on rider skills and limitations, that will allow a novice rider to start from the beginning and as the horse and rider gain and develop horsemanship skills, be able to advance to the next level. The general progression through divisions will be from Novice to Intermediate to Advanced Amateur. Any Amateur is eligible to ride in the Limited Division for any reason, but may not cross enter any other divisions.

All riders will complete the Novice and Intermediate Eligibility Questionnaire and any rider that is ineligible for either of the divisions and believes they should be in the Novice or Intermediate division will have the opportunity to request further evaluation – See Novice and Intermediate Eligibility Requirements. Each year upon renewal of membership all riders must complete the eligibility questionnaire.

It is the Member's responsibility to know his or her correct division eligibility and exhibit in the correct division. Horse/Rider teams exhibiting in the incorrect division will not be eligible for placement points or awards.

Riders may choose to move to a higher division but must notify the Event Manager prior to the event. Once a rider chooses to ride in a higher division, he/she may not move back to the lower division in that event year. In order to move to a lower division, the rider must meet all eligibility requirements of the lower division and be reviewed and approved by the Board of Directors. Any points earned will remain in the division they were earned. This decision must be communicated to the office.

V. GENERAL RULES FOR ASSOCIATION EVENTS

A. SELECTING JUDGES

The club will strive to hire and assign competent Clinicians and Judges with experience in Ranch Horse Versatility events.

B. CLINICS

Clinics may be offered throughout the year. These clinics can be part of a competition weekend, or they can be free-standing. Clinics can specialize in particular classes of ranch horse topics, or they can cover all five ranch horse classes. The club will make every effort to offer clinics that are accessible to riders of all levels.

C. BACK TO BACK COMPETITIONS

The club will make every attempt to not hire the same judge for multiple shows in a show season (with the exception of trail)

D. CO-SANCTIONED EVENTS

SRHA may approve competitions held in conjunction with other Associations provided. Managers should make every attempt to follow SRHA rules where they are different but compatible. Competitors should be aware that they will have to follow the stricter of the association rules in order to be eligible for placing, points, and awards.

E. EVENT AWARDS

Event Awards will be determined by event management. It is recommended that High Point and Reserve High Point awards in each Division be provided. Other awards may be presented at the sole discretion of the Event Manager. For a horse/rider team to be eligible for the division All-Around Award, the team must have participated in all four dry work classes.

F. EQUIPMENT FAILURE:

If at any time during a performance a piece of equipment breaks, the rider may continue provided the broken equipment does not pose a hazard to the rider and/or is not cruel to the horse.

When two classes are run back to back and equipment failure occurs during the first class and the rider is unable to continue because of the broken equipment the rider will receive a score of zero for the first class. The rider will not leave the working area before the 2nd class but may have a "2 minute tack repair allowance" between classes. Outside help is allowed, the rider can dismount and pick up lost equipment or attire. A zero score in the second class for equipment failure will apply, if the repair of equipment should exceed 2 minutes.

In the event a new cow is awarded during the cow work broken equipment may be repaired within a 1-minute time limit. The rider may not leave the arena and may not receive physical assistance or equipment from outside the arena. If the rider is unable to continue because of the broken equipment, the rider will be excused with a score of zero.

G. LAMENESS OR INCAPACITY

The judge may ask to view the horse at the trot either under saddle or in hand any time he/she has concerns regarding lameness. The judge has authority to excuse any horse from the class, due to lameness at any time while being judged and apply the appropriate penalties. Obvious lameness may result in a Disqualification and -0- score for the class.

Obvious lameness is:

1. Consistently observed at a trot under all circumstances
2. Marked nodding, hitching or shortened stride
3. Minimal weight bearing in motion and/or at rest and inability to move

A judge may permit a horse with minor lameness to continue to exhibit without penalty if, in the judge's opinion there is no risk of injury to either the horse or the rider by continuing to exhibit.

If at any time the horse appears to be physically incapacitated the judge has the authority to blow a whistle and stop or excuse the exhibitor.

I. INHUMANE TREATMENT

Inhumane treatment of horses or cattle will not be tolerated. A rider displaying any form of inhumane treatment to his/her horse or entering the arena with illegal equipment will be immediately corrected by the judge, a penalty will be assessed, and the problem will be resolved before continuing.

Judges will have the authority to blow a whistle at any time to stop or excuse any exhibitor if there is concern about the safety or welfare of the cow, horse, or rider.

J. FALL OF HORSE OR RIDER:

In the event of a fall by Horse or Rider, the run shall end when the rider or horse falls to the ground. A horse is considered to have fallen to the ground when the hip and shoulder are touching the ground, and all four feet are extended in the same direction. A rider has fallen when he or she is no longer astride the horse. A horse/rider team will be disqualified and receive a -0- score for the class.

K. COMPETING WITH MULTIPLE HORSES:

An amateur rider may compete on more than one horse in a competition. Each horse will be a separate entry and points will be earned based on each horse and rider combination.

The following rules apply.

- Novice, Intermediate, Limited and Advanced Amateur riders may ride more than one horse in their respective divisions.
- An individual horse may only be shown by one rider per class regardless of the division.
- Placement Points are recorded based on one horse and one rider and are recorded in the Division earned.
- A rider must enter all five classes in the same division on the same horse to be eligible for High Point All Around points.
- Open Division is open to any horse and any rider. Exception: Novice riders may not enter Open Cow Work and remain eligible for their respective divisions.
- Youth Riders may ride more than one horse in the Youth Division.

L. CLOSED ARENAS

No rider is allowed to work or warm up his/her horse in any arena, or course competition area, on the day of the schooling competition until the Event Manager allows horses into the arena. Once the trail course is set on competition day the course will be closed, no riding allowed on the course. Riders may dismount and walk the course on foot.

M. DISRUPTIVE HORSES

Any disruptive horse and or horse/rider team that poses a threat to the safety of others or the safety of the rider, in the judgment of the Clinician, Judge, or Event Manager, may be asked to leave the event. No refund of class or event will be given.

N. UNSPORTSMANLIKE CONDUCT

Conduct by club members, non-members, exhibitors, trainers, owners, owner's representatives, spectators, and all other persons present on the Club event grounds shall be orderly, responsible, sportsmanlike, and humane in the treatment of horses. Any of these violations will be subject to disciplinary procedures.

O. IMPROPER WESTERN ATTIRE

Exhibitors participating in Ranch Horse classes must wear a collared, long-sleeved shirt, a cowboy hat or helmet and western style boots. Chaps or Chinks are optional. Attire is casual for the day of the clinic. Penalty for competing in Improper Western Attire will be a disqualification and -0- score.

Exhibitors 12 years and under must wear a helmet any time they are mounted. Exhibitors between 13 and 18 are encouraged to wear a helmet but may be exempted with a release of liability signed by their guardian.

P. TACK AND EQUIPMENT

In all Ranch Horse classes, horses will be shown in a western saddle and appropriate bridle, snaffle bit or hackamore for the duration of a class. A horse may be shown in different legal equipment (bridle, snaffle or hackamore) in each class as desired. EXCEPTION: When classes are run concurrently no change of equipment is allowed between classes. Silver equipment will not count over a good working outfit.

Horses 5 years old and younger may be shown in a snaffle bit, hackamore, curb bit, half-breed or spade bit. If shown in anything other than a snaffle bit or hackamore rider must show one handed (expect as noted for Novice). A violation of this rule will result in a major penalty and will be scored as "OP" - the horse/rider team may not place above others who have completed the pattern correctly.

Horses 6 years and older may only be shown in a curb bit, half-breed or spade bit. When a curb is used a curb strap or curb chain is required, but must meet the approval of the judge, be at least one-half inch in width and lie flat against the jaw of the horse. Curb chains cannot be tied to the bit with string or cord. A broken strap or chain does not necessarily result in a major penalty. Both split reins and reins and romal are appropriate tack for a Sr. Horse.

If you have a question, approach the Judge/Clinician prior to event to review tack.

1. Optional Equipment:

- Rope or riata; if used, the rope or riata must be coiled and attached to the saddle.
- Hobbles attached to saddle
- Tapaderos are allowed except in working cow horse
- Protective boots, leg wraps, and bandages are allowed
- Spurs: not to be used forward of the cinch
- Chaps or Chinks

2. Prohibited Equipment:

- Wire chin straps, regardless of how padded or covered
- Any chin strap or chain narrower than one-half inch (except on a snaffle bit)
- Martingales and draw reins
- Nosebands, cavesson, tie downs and roping reins

3. References to hackamores mean the use of a flexible, braided rawhide, leather or rope bosal, the core of which must be nonmetal and flexible. A hackamore must use a complete mecate rein, which must include a lead-rein. Absolutely no rigid material will be permitted under the jaws, regardless of how padded or covered. Horse hair bosals are prohibited.

4. References to snaffle bits in western performance classes a snaffle bit means the conventional O-ring, egg-butt or D ring with ring no larger than 4" (100mm). The inside circumference of the ring must be free of rein, curb or headstall attachments which would provide leverage. The mouthpiece should be round, oval or egg-shaped, smooth and unwrapped metal. It may be inlaid, or smooth latex wrapped. The bars must be a minimum of 5/16 (8mm) in diameter, measured one inch (25mm) in front of the cheek with a gradual decrease to the center of the snaffle. The mouthpiece may be two or three pieces. A three piece, connecting ring of 1 ¼ " (32mm) or less in diameter, or a connecting flat bar of 3/8" to 3/4" (10mm to 20mm) measured top to bottom, with a maximum length of 2" (50mm), which lies flat in the horse's mouth, is acceptable. When using a snaffle bit a leather or other woven material chin strap of any width is to be used and should be attached to the bit below the reins. No iron, chain or other material is allowed. The chin strap is allowed to include metal buckles and/or keepers. A twisted wire mouthpiece may not be used. When exhibiting in a snaffle bit or hackamore, an exhibitor may switch between two hand and one hand on the reins at any time.

5. Reference to a curb bit: A curb bit must have a solid or broken mouthpiece that acts with leverage. All curb bits must be free of mechanical device and should be considered a standard western bit. A description of a legal, standard western bit includes:

- 8 1/2" (215mm) maximum length shank to be measured as indicated in the following diagram. Shanks may be fixed or loose.
- Concerning mouthpieces, bars must be round, oval or egg-shaped, smooth and unwrapped metal of 5/16" to 3/4" (8mm to 20mm) in diameter, measured 1" (25mm) from the cheek. They may be inlaid but must be smooth or latex wrapped. Nothing may protrude below the mouthpiece (bar), such as extensions or prongs including upward prongs on solid mouthpieces. The mouthpiece may be two or three pieces. A three piece, connecting ring of 1 1/4" (32mm) or less in diameter, or a connecting flat bar of 3/8 to 3/4" (10mm to 20mm) measured top to bottom with a maximum length of 2" (50mm), which lies flat in the horse's mouth is acceptable.

- The port must be no higher 3 1/2" (90mm) maximum, with rollers and covers acceptable. Broken mouthpieces, half-breeds and spades are standard.
- Slip or gag bits, and donut and flat polo mouthpieces are not acceptable.

6. Reference to romal: A romal is an extension of braided or round material attached to closed reins. The reins can be held in either hand, with hand around reins in a fist position with thumbs up. The non-rein hand must be on the romal. (The keeper, or hobble, that attaches the romal to the reins is considered to be a part of the romal.) The non-rein hand is not allowed to touch the reins. No fingers are permitted between the reins in bridle classes, except in the Two Rein class. The romal shall not be used forward of the cinch or to signal or cue the horse in any way. The rider is allowed to shorten the reins while the horse is in motion as long as their hands are held in a legal manner.

In trail it is permissible to prepare to or to work an obstacle by changing hands, adjusting the romal to the opposite side or holding both reins and romal in the same hand even while in motion. It is permissible to hold the reins and romal in one hand while working a cow.

7. Reference to use of hands on reins: Except for junior horses (5 years old or less) shown with hackamore or snaffle bit, only one hand may be used on the reins, and the hand must not be changed (see Novice division for exception). The hand is to be around the reins. Index finger only between split reins is permitted. A violation of this rule will result in a major penalty and will be scored as "OP" - the horse/rider team may not place above others who have completed the pattern correctly.

Junior horses (5 yrs. old and under) that are shown in a hackamore or snaffle bit may be ridden with one or two hands on the reins. Mecate may be used with a snaffle bit or hackamore. In trail it is permissible to change hands to work an obstacle on any age horse.

8. Reference to the Two Rein Bridle: Open to horses of any age that have not shown in the bridle down the fence in any judged classes or events with the exception of horse sales, prior to the first day of the current show season. A horse may be shown in the two rein equipment for one year only regardless of the class it is shown in. The rider must use an approved bit with an approved bosal underneath the bridle. Only one hand may be used on the reins and hands must not be changed. Any number of fingers between the reins will be permitted. In trail only, it is permissible to change hands to work an obstacle.

9. Reference to the Get Down: A "get down" is defined as a rope tied around a horse's neck with intended use to lead or tie the horse. The get-down rope may also be run through a bosalito, as long as the bosalito is not tight enough to function as a caveson. Bosalito must be made of flexible leather, rawhide, or rope, and allow at least 2 fingers to pass freely between the nose and bosalito. The end or "lead" part of the Mecate in a legal hackamore or snaffle or a two-rein set up may also be used. A get In any other case a rope tied or looped through a bosal or nose band of any kind will be considered illegal equipment and will result in a score of -0-.

Q. UNFORESEEN SITUATIONS

Rules are designed to be followed and should be the first choice in every circumstance, however not all circumstances can be foreseen. Decisions or situations not covered by this Rule Book shall be decided by the Event Manager, with consultation from a Board Member and/or the Judges/Clinicians.

These decisions are to be made using common sense and vetted through the following criteria:

1. Is this a Safety issue? Always err on the side of Safety
2. What is the intent of the decision?
3. Does this uphold the integrity of the Association with members, volunteers, sponsors, suppliers, vendors and bystanders?
4. To protect the integrity of the organization any rule decision made with mal intent to inappropriately advance or hinder any particular member or participant shall be dealt with severely.

VI. SCORING

A. SCORING SYSTEM

Sagebrush Ranch Horse Association will use a 70 basis scoring system that is designed to give credit to each rider for the work completed. The system has been designed to provide the most possible feedback, record of the rider's work, to be positive and straight forward, and to encourage growth and improvement in both horse and rider.

B. JUDGES SCORE SHEET

Each Horse and Rider team begins the run with a score of 70 points. The judge evaluates the quality of each maneuver and records a Judges Score of one of the following on the score sheet; +1 ½ Excellent, +1 Very Good, + ½ Good, 0 Correct, -½ Needs Improvement, -1 Poor, -1 ½ Very Poor. Penalties are also recorded and deducted from the total Judges Score. The entire class will be scored and placed (i.e. 20 horse/rider teams will result in 20 placing's).

In the case of a horse/rider team incurring ANY Major Penalty they will be scored with the notation "OP", the horse/rider team may not place above others who have completed the pattern or requirements of the class correctly. While this term was originally derived from "Off Pattern", it is now a designation you will see that indicates you have received any kind of Major Penalty listed below.

Major Penalties – (OP) Off Pattern

Open Division - Complete loss of rope (falls completely to the ground prior to roping the cow)

Amateur and Youth - Complete loss of rope (falls completely to the ground once committed to roping the cow)

Failure to dally and remain dallied during log drag

Failure to attempt any part of the class

Repeated blatant disobedience

Schooling After entering the arena prior to calling for the cow

Schooling horse between cows, if a new cow is awarded

Turning Tail

Breaking pattern

Inclusion of a maneuver (i.e. over or under spinning, backing more than two strides)

3rd refusal

No attempt to perform obstacle
Two hands on the reins except in a snaffle or hackamore (or in Novice Classes)
More than one Finger between split reins or any fingers between romal reins (except for the two rein or in Novice Classes)

Horse and Rider teams will be disqualified for the following reasons in all classes:

DQ -0- SCORE

Inhumane Treatment
Lameness or incapacity
Illegal or failed equipment
Fall of horse or rider
Improper Western Attire
Disrespect or misconduct
Leave area before pattern complete
Out of control, endangering the rider (judge blows whistle and ends the work)

Disqualified riders with a -0- score will count as entries in the class but will not receive placement points. For example, in a class with ten horses where one horse/rider team is disqualified, the first place horse/rider team gets ten placement points, the ninth place horse/rider team gets two points, and the disqualified horse/rider team gets 0 points. The last point is not given because the disqualified horse/rider team gets no points. This system will be used for any size class and may include more than one disqualification or -0- Score.

C. POINT BASED SCORING SYSTEM

The first place team will be awarded ten placement points, second place nine points, third place eight points, through the tenth place team one point, and eleventh through last place will not receive placement points. Points will not be awarded to an exhibitor with a DQ score.

D. BREAKING TIES:

All-around ties for competition and year-end awards will be decided by the highest placing in the Ranch Cow Work class in the applicable division. If a tie still exists the tie breakers will be in this order: Ranch Rein Work, Ranch Trail and Ranch Riding.

Ties within a class will first be broken by total number of penalty points in that class, with the exception of Ranch Cow Work where circling will be the first tie breaker. If the tie is still not broken specific maneuvers have been designated and will be used. If the tie is still not broken the judge will make the determination. The first tie breaker in a class will be Total Penalty Points. In regard to the Amateur Ranch Cow Work; if a tie exists, the tie breaker goes to the rider with higher eye appeal score.

VII. CLASS RULES & REGULATIONS

SRHA offers Five (5) classes in each division; Ranch Riding, Ranch Trail, Ranch Reined Work, Ranch Cow Work and Ranch Pleasure. Exhibitors may enter any one or all of the classes in the Division in which they are qualified to participate under the following conditions.

- An exhibitor must enter all 4 dry classes in one division to be eligible to earn points toward ANY All-Around High Point award, whether it be the Event High Point or the Year End High Point.
- Classes may only be entered one time per horse.
- Placement Points are recorded based on one horse and one rider and are recorded in the Division earned. Cow class points are not recognized in the versatility all around as they are for their own year end buckle
- Year End High Point Horse and Rider teams in each Division will be recognized.
- Cow classes will have its own year-end Buckle for just cow classes – you must compete at 2 of the 3 shows to be eligible – a buckle for each division will be awarded

VIII. CLASS DESCRIPTIONS, RULES, AND JUDGING

SRHA will use a combination of American Quarter Horse Association (AQHA) and Western State Ranch Horse Versatility Association (WSRHVA) class descriptions, rules, and judging.

2025

Trail Challenge Rules

Categories and Divisions

There will be 4 categories:

Novice

Intermediate

Advanced

Youth (8-16 years old)

Definition of Categories:

Novice- Team can accomplish all skills listed in Obstacle Skills except hobbling, ground tying, and high lining. Skills are elementary and performed on mostly undemanding terrain, in a calm environment. Dragging and pulling shall be performed in a straight line, on even footing, for short distances.

Intermediate: Team is ready to begin taking on more challenging obstacles and can accomplish all skills listed in Obstacle Skills which may include hobbling, ground tying, and high lining.

Advanced: Team can accomplish all skills listed in Obstacle Skills and can accomplish combined skills in succession, and/or can accomplish skills on demanding terrain, and/or in a challenging environment.

Youth- Youth riders may not cross enter. A youth rider is defined as the rider being 16 years old or under as of January 1 of that year

Trail committee shall endeavor to design the obstacles with Novice, Intermediate & Advanced directions and they shall design obstacles that are category appropriate. Obstacle instructions should be written clearly and concisely, using short sentences with simple and specific information.

Combining of divisions shall not be allowed.

Novices/intermediates, defined for SRHA, must not have ridden the same horse and placed High point or reserve for more than two (2) years in the novice/intermediate divisions, at any trail event, with the exception of Junior riders who may continue to compete in Novice division and are not required to move up unless approved by a parent.

Once a horse/rider combination competes three times at a higher level they may not drop back down.

In order for the "Move up" rule to apply, there must be 5 or more riders in the division at each event.

Rules:

Safety of the rider and horse are always the most important component of this event.

1. All riders must be a member of the Sagebrush Ranch Horse Association in good standing with dues paid and must sign a release prior to mounting a horse at the designated location of the event. Youth must have a parent signed release.
2. You must enter the event prior to the start of the event and within the time limits indicated on the flyer for the event by using the approved entry form and paying all fees.
3. Horses may be of any breed. Youth may not ride a stallion. Horses must be serviceably sound and in good condition as determined by the judge. Horses must be treated humanely, any action deemed to be cruel,

abusive or inhumane will result in immediate disqualification.

4. Dress code: Riders shall wear riding boots with a heel. Youth under 12 must wear a helmet. Youth under 17 must wear a helmet unless a parent has signed the helmet waiver form. It is recommended that everyone wear a helmet and it is at the discretion of the adult rider as to their compliance. All riders will wear long pants. It is recommended that riders wear a long sleeve shirt, cowboy hat or cap although this is not a requirement.

5. Tack must be in good shape and safe for the horse and rider. Riders may ride Western or English. Horses may be ridden in any humane bit or hackamore. Tiedowns, martingales, gag bits or drop nose bands are not allowed. Two rein is allowed. A bosalito with the purpose of a get down rope is allowed. You are allowed to ride with two hands in the bridle, but this may not enhance your scoring. A smooth, controlled ride however will earn you points so determine your best course of action. You may go from one hand to two hands whenever necessary.

6. A horse may be ridden by one horse/rider combination. Riders may compete on multiple horses within the division. Horses may not be cross entered into other divisions. The rider must pay an entry fee for each horse. Each horse must be tacked and ready to compete when called.

7. Riders under 12 may have an adult with them on the course but the adult will not negotiate the obstacles. Adult riders will assist in ensuring that the youth are safely negotiating the course.

8. No dogs will be allowed on the course or in the starting area. All dogs must be restrained at the trailer or truck.

9. Riders may walk the course (without their horse or any other animal) prior to the event at the time designated by the staff. There will be one walk through, and the judge will participate to answer any questions. It is the responsibility of the riders to fully understand the rules, obstacles and the course design prior to the beginning of the event. If a rider feels an obstacle is unsafe it should be brought to management attention immediately for review.

10. No horses will be allowed on the course prior to the beginning of the event or during the event until the event has concluded. Any schooling after that time will be with the approval of the owner of the premises and that of the club.

11. Order of go will be selected by management in a random drawing. You will have 30 seconds to start the course after your name is announced. Participants must at least try each obstacle. A try may be a horse looking at the obstacle from some point away from it but you cannot just bypass it without stopping and having your horse acknowledge the obstacle.

12. The obstacles will be placed in a pattern throughout the venue. An off course will result in a zero score.

13. Scoring: The judges will evaluate each obstacle. They will be judged on a 1-10 scoring system with 5 being considered an average score. The approach, transition and departure are all considered as part of the scoring system. Points will be added for riders riding with one hand in the bridle, smoothness, control, transitions, etc. deemed to be above average by the judge. Points will be deducted for the same items if the judge feels that they are below average as well as refusals. A horse will be allowed three refusals and then the judge will indicate the rider must continue to the next obstacle. A zero score on one obstacle will not disqualify the rider.

14. Refusals shall be deemed when a horse takes a step in the backwards direction away from the obstacle or when a full turn around and reset is made by the horse/rider combination.

15. Fastest time will be scored as an obstacle: Fastest time 10 points, then 9 for the next fastest time, etc. Each division will have their own times for this component.

16. Tie breaker: Prior to the event the judge will decide on one obstacle for the tie breaker. The score from this obstacle will clear any ties.

17. The judge can dismiss a horse rider combination if they feel that safety is an issue. Safety is a priority.
